

# Rules for Homework

MTHBD/CMPBD 424

1. You can always see me for help, preferably before the due date.
2. **Limits of Collaboration:** You may **discuss** the homework with classmates only. You may not copy answers, code, or proofs. It is not hard to tell if two people copied so please don't do it or it will be considered a violation of academic integrity.
3. If the homework is submitted after the due date at class time, there will be a 25% reduction in your score.
4. If the homework is submitted after the first class after the due date, you get no credit for the homework.
5. Your name must appear at the top of the first page. If it does not, 10 points will be deducted.
6. If the papers are not stapled together you will lose 10 points. Note: the existence of a staple does not guarantee the pages are stapled together.
7. If the pages are out of order you will lose 10 points.
8. If two problems that are supposed to be on separate pages are on the same page, you will lose 10 points.
9. If two problems that are supposed to be on the same page are on separate pages, you will lose 10 points.
10. Use only one side of a page and do not exceed the page limits per problem.

Please follow these rules. I do not want to file any violations of academic integrity or deduct points for format errors, but I will.
